

JDM ITR Final Drive Part List / Part Numbers

If you own a B-series tranny, and are staying N/A, you will gain a great deal of acceleration by swapping from your low 4.x-ish final drive to a JDM final drive ratio of 4.785:1. But what parts do I need?

Part Number

41233-P80-E30

23421-P80-E30
